NEW UNION GEAR UPDATE!

Greetings to all of my Union brothers and sisters. In the last Bay Breeze I wrote about our new Union logo and the approved expenditure of $60 per **dues-paying member** for Union logo clothing items of your choice. We are working with Image Pointe of Waterloo, Iowa. They are a Union shop who has done work for APWU locals in the past. There are two zipped hoodie sweatshirt options, a dri-fit t-shirt, baseball hat, winter beanie, cuffed pom knit hat, and new, by popular demand a cotton t-shirt. Members can order more than $60 worth of merchandise if you choose and write a check to NEWAL for anything over $60. (The order sheet (page 7) and apparel options pdf. are on our Union website at newal.org) Because of the addition of the cotton t-shirt, we've extended the order deadline until May 31. Please note that orders are due on that date and no late orders will be accepted. Please contact me at dkroll26@gmail with any questions.

Yours in Union solidarity,
Dave Kroll
NEWAL Vice-President

It's a great assortment of apparel that sports our new logo and design. Retirees can buy some as well, (because you know you want one) To perhaps, replace that well-worn 'I'm Retired' t-shirt and show your unwavering support for your APWU Local-NEWAL 2247 (Order form on page 7, check or cash)

Hello Union Peeps,

COVID issues are testing everyone's patience and we all hope for normalcy soon.

I don't have any news as to when Wausau mail will be coming any earlier than November.

Union shirts, hats, and zipper hoodies are going to be ordered soon so please get your orders in and thank you to all that have helped with this project.

Our picnic is August 1st this year at Four Seasons Park in Hobart. Please come and enjoy the food and refreshments. You and your family are always welcome! We are always looking for help with getting the picnic together and taking it down. If you can help, please contact me at: 715-301-3325.

My article short due to many announcements in this paper, so stay safe and try to enjoy the summer.

One Year In The Books!

by Arthur G. Ciesielczyk NEWAL Secretary/Treasurer

Dear union brothers and union sisters. Our last union meeting was at Gallager's Pizza at 2:30pm on 3/25 and we had a nice time. Dave Kroll put on a T-shirt/Sweatshirt presentation. I made a motion to get union stewards paid an additional $120 a month, whether the steward attends the monthly union meeting or not. Union dues for full time members are $30.41 per paycheck, so after the union steward pays his dues, he/she is making $2 day additional to be a union steward. There was a lot of pizza & cookies left over. Kelly (prez) brought that back for the 3rd shift workers to enjoy.

Now here is my update for the year for all the members. We are in great shape financially. We are about $30 Thousand dollars above our checking account total from last year. The reason (COVID) is very simple. We cannot send anyone physically to training or seminars or conventions. Everything has had to be done virtual. Strong chance that there is no conventions or seminars unless virtual again this year. I wish I had better news, but that is the way it is looking. We also did not have a summer picnic. Kelly is pushing for a picnic and if we can do it within the CDC guidelines, then it could happen. We will keep you posted. **(NO SEMINARS/NO TRAVEL/NO PICNIC EQUALS REDUCED EXPENSES)**

What my job is like... Before I considered this position, I spoke with Robert (former Secretary Treasurer) and he said it was about a 15 hour a month job. Nothing you can't bust out on a couple of Sunday afternoons, was his response to me. I talked to Kelly about the job, and to his credit he said it was a thankless job, but a very essential and important job. Kelly asked if I really thought I was ready for it, and I told him that I had been an accountant for over 20 years. I told him that this was as ready as I was every going to be to do it. The union voted to keep Robert on until the end of March 2020, and he was also to be paid an extra month while he trained me side by side... and then Covid hit in March 2020, and Robert was no longer interested in showing me the ropes.

My first year is coming to a close on March 31st, and my second year starts on April Fool's Day. I check the mail for the union each morning that there is new mail and distribute it to where it goes. We normally get at least two pieces of mail and sometime more if it is junk mail or advertisements. Not a week ever goes by without someone or some company asking for a donation. I even distribute the inter-office mail (mostly for Kelly). I pay the bills as they come due. I get to buy stamps and make sure the Bay Breeze has money in their postal account to send the bulletins out. I send payroll out to a CPA firm after the meeting. Checks are distributed on the first of the month. I will try to bring more financial reports to the next meeting to show what bills are paid and who is receiving paychecks. Not real exciting stuff, but I will try to make it as clear and transparent as I can. I am happy to say that Kelly and I signed the yearly forms at Uphill & Uphill on Friday 3/26/2021. The LM3 was due by the end of March and it has been taken care of. Taxes are done. We do not owe any money to the IRS, and the forms were signed and mailed Friday as well.

You will see articles in the following Bay Breeze (not this edition) looking for an **Election Committee Chairman**. This is a **$ PAYING GIG $** and you will need to be ready to roll by September. I can assist in your training. You will also see the new format for the TONY VAN Scholarship in the following edition. Please remember there are **THREE $500 AWARDS**. Names will be drawn at the August picnic or at the September union meeting.

I enjoy what I do. The power and prestige are almost too much for my shy, introverted personality to handle, but I am working on being humble. It is a lot of phone calls, fact checking, driving, making appointment for union meetings, etc., but I don't know what I would do without it. It is always on the back of my mind**. I kept my promise on trying to get stewards paid.** It took a year, but it was something I thought was long overdue. Change is slow but we must change and adapt to survive. 2020 was the year of the adjustment. Thanks for giving me a chance to be your treasurer. I am looking forward to seeing what this year as treasurer will bring.

Omnibus(ly) Speaking

I had just missed the deadline to get articles in for the March/April edition of the Bay Breeze. Now I'm glad that I missed the deadline. In that article I had urged the members to contact their Senators and Representatives in the U.S. Congress about Postmaster General DeJoy's ten-year plan for the Postal Service. DeJoy's plan would as U.S. Senate Majority Whip Dick Durbin (D-IL) said shortly after DeJoy released the United States Postal Service's "Delivering for America" 10-Year Plan, which drastically cuts hours and raises prices for USPS service, "**there's no DeJoy in the Post Office tonight. Postmaster General DeJoy's plan to raise cost and cut services is designed to sink the postal service, not save it.**"

Yesterday, May 19, the House of Representatives voted to set up an independent commission to study the events that led to the insurrection against our nation's capital buildings on January 6. 35 Republicans voted to set up this commission, however, not one Republican from Wisconsin voted for the Commission. Even Rep. Mike Gallagher who once called the siege of the Capital on January 6 the antics of a "banana republic" turned his back and voted no. Rep. Peter Meijer from Michigan who is of the family of the Meijer store change voted for the commission stating "country over party and, yes, even over family business. Whatever happened to Rep. Gallagher who once had these same convictions.

As your Legislative Committee Chairperson, I am trying to say that the only person that we, as postal employees and members of NEWAL, can rely on is U.S. Senator Tammy Baldwin. Senator Baldwin has been a champion of the Post Office even when she was a Representative in Congress. It seems very unlikely that the Minority Leader in the Senate; Mitch McConnell, would help the cause of us postal workers. He will oppose any postal reforms and make these reforms obtain a 60-member vote in the Senate. Senator Ron Johnson has already stated that he would vote to privatize the Post Office. It is very unlikely that the Post Office will get enough
